Coming south on Hwy 101 towards San Francisco

- Take the last exit off 101 just before you are on the Golden Gate Bridge marked "Sausalito". Go right. At the stop sign, again go right and under Hwy 101 to the next stop sign. Turn left onto Alexander Avenue.
- Drive down Alexander toward downtown Sausalito. The first right hand turn off Alexander Avenue is just under a mile from the 101 turnoff and is a very sharp U turn. This is Fort Baker Road.
- Continue on this road for approx 500 feet and follow the curve left. You will see some drab green concrete buildings on your left. Take a sharp left hand turn immediately after these buildings. This will take you down a steep driveway toward the office and treatment plant.
- Park toward the back of the parking lot to allow the Plant vehicles access to the shop located on the right. The Board room is the second larger office on the left.

Coming from San Francisco

- Go over the Golden Gate Bridge. You are on Hwy 101.
- Take 1st exit off 101 marked Alexander Avenue
- Drive down Alexander. Fort Baker Road is the first right hand turn off Alexander Ave. and is just under a mile from the 101 turnoff. The right hand turn to Fort Baker Road is a very sharp U turn.
- Continue on this road for approx 500 feet and follow the curve left. You will see some drab green concrete buildings on your left. Take a sharp left hand turn immediately after these buildings. This will take you down a steep driveway toward the office and treatment plant.
- Park toward the back of the parking lot to allow the Plant vehicles access to the shop located on the right. The Board room is the second larger office on the left.
